Dear Customer,

On December 6, 1991, OSHA published in the Federal Register its final ruling on occupational exposure to blood borne pathogens. New regulations took effect March 6th, 1992 and impact all health facilities.

Willful violations and non-compliance can result in fines of up to \$70,000.00 for each violation after June 6th, 1992.

This comprehensive list of products and educational materials has been developed to assist your OSHA compliance efforts to meet new federal regulations.

Special pricing through
June 30, 1992.

Cordially,

A handwritten signature in dark ink, appearing to be "J. M. J.", is written over the word "Cordially,".
